How is your financial adviser paid?

The fees and commissions payable to Bee Financial Pty Ltd are explained in Part one of the FSG and also below. Consultum may retain up to 5 per cent of these fees and commissions and then pay the balance to Bee Financial Pty Ltd, which engages your adviser to provide financial services. Of the amount received by Bee Financial Pty Ltd from Consultum, your adviser is paid a salary, part of which may cover your adviser's operational expenses.

Service and advice fees paid by you

Your initial appointment will be charged at a flat fee of \$80 inclusive of GST. At this meeting, Adam will explain how Bee Financial Pty Ltd operates, what you can expect and the payment options. All fees and commissions payable by you will be explained to you at the time advice is given and will also be detailed in a Statement of Advice, Record of Advice and Product Disclosure Statement(s).

You will have the ability to select your preferred payment option from the options below prior to the provision of advice. All amounts noted below are inclusive of GST:

Fee for service – once-off

The product provider deducts a once-off fee for the services provided to you in relation to your account. This fee may be up to 4.4 per cent of assets under advice or a flat fee ranging from \$550 to \$5,500 and the total fee will depend on complexity and time involved. Alternatively you may elect to pay the once off fee for service by direct payment.

Statement of Advice (SOA)

A statement of advice fee is charged to cover the cost of researching, developing and preparing your advice document. This fee will be based on an hourly rate of up to \$440 and/or may range from \$550 to \$5,500 depending on complexity.

Fee for service - ongoing

An ongoing fee for service represents the cost of providing our ongoing professional services to you. A summary of the services which you receive for this fee is contained in the SoA or in our services agreement. This fee may be up to 1.1 per cent per annum of assets under advice or a flat dollar fee up to a maximum fee of \$5,500 per annum. For example if you had \$100,000 invested, you would be charged \$1,100 per annum, however, depending on the complexity of the advice sought, this fee may be higher.

Commission for life risk insurance products – Policies issued from 1 January 2018

Initial commission payable under an upfront structure will be capped at 88 per cent, then reduce to 77 per cent from 1 January 2019, before settling at 66 per cent from 1 January 2020. Ongoing commission under an upfront structure will be capped at 22 per cent of the annual premium paid. Both initial and ongoing commission under a level structure will continue to be capped at 37 per cent.

Increases to Policies issued before 1 January 2018

There may be an initial commission payable of up to 130 per cent of the first year's annual premium and then ongoing commission of up to 37 per cent of the annual premium paid.

Other benefits?

Apart from the "Other benefits" section disclosed in part one, there are no other benefits received or relationships that may influence the recommendation.
